- Registration for the session beginning in September is held beginning in the spring and will be ongoing with preference given to members of the congregation, current Board members and PDO families. After church members and PDO families register, registration is open to the community on a first-come first-served basis.

WHAT TO WEAR & BRING

LABEL EVERY ITEM BROUGHT TO PDO

- Your classroom teachers will communicate specifics of what is needed for your child's classroom.
- Dress your child in play clothes and provide adequate outdoor clothing for the weather.
- Teachers may also have specific clothing guidelines they ask for you to comply with (particularly for children in diapers).
- When your child is potty training, it is **essential** that your child wear clothing that can be removed easily.
- Children need to have **rubber-soled shoes** to play in the gym. While the children seem to enjoy wearing sandals during the warmer weather, sandals do not work well at the playground and in the gym.
- All children must bring a full change of clothes, including socks. Even though older children are not as likely to require changing, spills can occur, so it is best to be prepared.

SNACK & LUNCHTIME GUIDELINES

- PDO provides snack for all students, with the exception of the Purple Room children (youngest age), who bring their own snack.-
- Let your classroom teachers know if you are concerned about the snacks being provided. You will be given the option to sign a snack permission sheet for the PDO year or bring in your own snack.
- All children must bring their own lunch & drink from home.

- Clearly label the **outside** of the lunch bag & where the teachers can readily see it.
- We recommend that you put your child's lunch in an insulated lunch bag/box with a cold pack. Lunches are not refrigerated.

➤ **NUT FREE POLICY:**

To ensure a safe environment for our students who have life threatening allergies, we ask that you abide by the following policy regarding food brought to PDO.

We ask that you bring no peanut butter, peanuts or tree nut products of any kind to PDO. Common tree nuts include: almond, cashew, chestnut, coconut, hazelnut, macadamia, pecan, pine, pistachio, and walnut.

Children may bring seed spreads, such as sunflower or soy. It is required you place a note on the item identifying it.

If a child's lunch includes a nut product, the item is left in the lunch box, and a note is sent home reminding the parent of our policy.

- We always tell the children that they can only eat the food in their own lunch. We share our toys at PDO, but not our food.
- Every classroom prays a blessing before eating their snack and lunch. We also work on some basic table manners, like saying "please" and "thank you" and not getting up from the table while the children are eating.

ARRIVAL PROCEDURES

Please be on time at 9:30 AM. When a child and parent arrive once everyone else is settled, it is very disruptive. We appreciate your cooperation on this matter.

Parking & Entering Building:

- Park in church lot or on nearby streets. You may park in spaces marked "Restricted Parking" on the north side of lot. However, please park in designated spaces only.
- Please do not park in the PDO Parent Parking space, unless you have won this spot during the Fun Fair raffle. Please communicate this guideline to any caregivers that may be dropping off or picking up your child.
- Please do not leave any children unattended in your vehicle.
- Hold your child's hand at all times when walking in the lot or street.
- The west door (Vail Street) is for your use and will be unlocked during the morning and afternoon drop off and pick up times.
- If you arrive late and the door is locked, please ring the doorbell on the left side of the door.

Sign In:

- Locate the sign-in sheet for your child's class on the clipboard outside of the classroom door.
- Sign next to your child's name. Please check the phone numbers and pick-up person listed. Correct or add any necessary information. If you will not be available by phone during PDO hours, please be sure to let us know whom we may contact. It is critical that we have the name and telephone number of the person you want contacted if your child becomes ill or is injured.

- If a person other than a parent is to pick up your child, please provide us with that person's NAME (not just "grandma"). It is also good to let your child's teacher and/or the Director know that someone different is picking up.
- Any special instructions should be provided to the teacher, preferably in writing. If you find that you need to make a change in the pick-up person during the PDO day, you MUST call and talk to the Director confirming the change.

To Do List Before You Leave to Enjoy Your Day:

- Wash your child's hands. Classroom doors will remain closed until the teachers have the classroom ready (9:30 AM). If you arrive before 9:30 AM, you may use the hallway washroom located outside of the gym. When the classroom is open, you may use the classroom sink for hand washing.
- Have your child use the washroom before drop off.
- Place your child's things where the teacher has instructed you.
- Place your child's PDO printed name label on their back.
- Say goodbye with a quick hug & kiss. Assure your child you will be back and that they should have a fun day.
- Leave the room & enjoy your day! The children begin enjoying their day after the parents have stopped moving in and out of the classroom. Your prompt drop off truly helps us manage separation anxiety.

Crying/Separation Anxiety:

- In the fall when the children are adjusting to the program, it is common for many of the children to cry. They often will stop once all of the parents are gone and we begin our activities.
- Even if your child is upset, it is best to leave and we can usually get your child to calm down. Children begin calming when all the parents have exited the room.
- We always contact you if your child is too upset and we cannot get him/her to stop crying. Feel free to call the PDO office to check on your child. If the phone is not answered immediately, please leave a message and you will receive a return call or email.
- If your child is having a very hard time with the separation process, please feel free to discuss this matter with his/her teacher and the Director. We will work out a plan to ease your child into the program.

DEPARTURE PROCEDURES

- Please wait outside your child's room until 1:30 PM. The teacher will open the door and indicate that the class is ready to go home.
- Read the "What We Did Today" board outside of the classroom.
- Be sure to gather up all of your child's belongings, including any projects, jackets/coats, lunch box, etc
- While pick-up time is often a good time to get a short question answered, it is usually not an ideal time to discuss a more lengthy matter. If you would like to have a longer conversation with your child's teacher about a concern of yours, please let the teacher know and she will call you at home.

HEALTH AND SAFETY

- For the well-being of all concerned, if your child seems ill, please keep him/her at home.
- **Children who have been ill should be free of fever, nasal discharge (green/yellow/excessive clear discharge), diarrhea, and vomiting for at least 24 hours before attending PDO.**

- If your child will not be in attendance at PDO, for illness or for any other reason, we do appreciate an email or phone call letting us know.
- If your child becomes ill during the course of the PDO day:
 - The child will be isolated from other children according to the Safe Sanctuary policy of First Presbyterian Church.
 - You will be called to come and pick him/her up. If you cannot be reached, we will call whomever you have indicated for that day on the sign-in sheet or someone on your emergency calling sheet.
 - The child must be picked up within 30 minutes, after which time an emergency contact will be called.
- Teachers are not allowed to administer medication, with the exception of an Epi-Pen or inhaler. Please consult the Director if you have any questions concerning this policy.
- Parents are to notify the Director whenever the child has contracted a contagious disease.
- If a child is being overly aggressive, physically or verbally, toward another child (as determined by the Director) an incident report will be filed and the parent will be notified. If the problem persists the student may be asked to leave the program for the duration of that school year.
